## **Nandu Anilal**

Analyst / West Coast

Since 2019

Nandu works on the technology investment team at Canaan. He focuses on investments in enterprise and cloud software to frontier technologies like AI/ML and robotics.

Previously, Nandu worked on Thumbtack's product team in San Francisco, leading strategic projects to help inform and execute the product roadmap. Prior to that, he was a management consultant helping clients across industries build their go-to-market strategy and scale their sales teams. Nandu's work experience has focused on aligning product, sales and marketing functions with overall business strategy.

Nandu graduated from the University of Illinois at Urbana-Champaign with a B.S. in Industrial Engineering and a concentration in Economics and Finance.

## **About Canaan**

Canaan is an early stage venture capital firm that invests in entrepreneurs with visionary ideas. With \$5B under management, a diversified fund and over 190 exits to date, Canaan has invested in some of the world's leading technology and healthcare companies over the past 32 years. Canaan's focus areas include consumer tech, fintech, enterprise/SaaS, frontier tech, biopharma, digital health and medtech.
