## Joydeep Bhattacharyya

Partner / West Coast

Since 2016

Joydeep Bhattacharyya joined Canaan in 2016 and leads investments in mobile-first platforms within Canaan's Enterprise and Cloud practice. Prior to Canaan, Joydeep was an investor with Shasta Ventures where he also led investments in the Enterprise/Cloud space. His experience in SaaS is rooted in the founding days of Microsoft Office 365 and Microsoft Skype for Business (formerly Lync Online), where he ran R&D, IT Operations and Customer Support teams. Before Office 365, he was a developer with Microsoft Office Live, where he was awarded two US patents for co-architecting the highly scalable provisioning and merchandising platform.

Joydeep led Canaan's investments in Leanplum, PerimeterX and Countable and sits on the boards of Beckon, PerimeterX, Countable and Leanplum. His previous investments include Skycure (acquired by Symantec in 2017), Neumob and Ascend.io.

Joydeep received a M.B.A. from the Kellogg School of Management, where he was a CRTI fellow, and a B.E. degree in Computer Science and Engineering from Jadavpur University.
